

Session 3: Sexuality, reproductive rights and living independently in the community

Ya Wen Huang & Cheng Chihwei

The Origin of Hand-Angel : Who we are and what we do

The local practice of wisdom:

1. Disabled people's led service: Supporting disabled people with disabled people (peer-support) through equal partnership
2. The Minority Alliance: Fighting against the sexual stigma with sex workers and our LGBTQ friends
3. "More than just hand-job": Empowering disabled people through our service support

Future directions:

1. Bringing sexual rights and empowerment into long-term care services
2. Working with frontline service workers to develop the sexual support guideline and ethics of engagement
