

Session 1: Independent living movement and community-living 林君潔/ Chun-Chieh Lin

Reflection on the development and promotion of independent living in Taiwan under COVID-19 pandemic

This sharing will tell how to promote independent living in Taiwan, which is deeply influenced by familism and professionalism, and what is the impact of social models on the country? Through the outbreak of the epidemic in Taiwan in May 2021, reflect on the promotion of self-reliance in Taiwan and the future possibility.
